

APPENDIX 4. GENERAL AVIATION FLIGHT STANDARDS INFORMATION BULLETINS

Flight Standards Information Bulletins (FSIB) address issues requiring action, special emphasis programs, and time critical and/or temporary concerns. The FSIB enables the Flight Standards Service to disseminate information quickly to the community. The FSIB does not replace the handbook bulletin. However, information contained in FSIBs may be incorporated directly into handbook text. FSIBs are available on the Internet World Wide Web AVR Home Page at URL <http://www.faa.gov/avr/afs/fsga/fsgal.htm>.
